

NOTE re BOB suggestion that DCI select employees
to be covered.

12 August 1962

STAT

NOTE FOR:

Marie - Mr. Warner wanted to be reminded to make a note for the file
on the following point:

BOB indicated that they might possibly want to put
in a requirement that the DCI would select the
people to be put under the proposed retirement system.
Mr. Warner said that he thought this would be taken
care of in our regulations.
